Dear Judge Preska:

It has come to Defendants' attention that they inadvertently filed in public view an item that should be sealed pursuant to the Court's recent Order. Defendants request that Exhibit 40 to the Roberts Declaration (Docket Entry No. 99-40), a collection of Plaintiff's personal emails, be sealed pursuant to the Court's Order to seal. Docket Entry No. 100.

SO ORDERED.

Thank you for Your Honor's kind attention to this matter.

Respectfully,
